Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed an examiner's amendment by incorporating the limitations of claims 14 and 20 to their independent claims 13 and 20 respectively. The attorney of the record has granted the permission. Further, for claims 19-24 Examiner suggested to add the word 'storage', after the word readable to over come the potential 101 rejection. For details please refer to the Examiner's amendment.
